If you're ready to sing along to tunes from the old country, then it's time for Maria's **Bavarian Childhood** CD. For your next dinner party, put on the **Zither Extravaganza** for melodies without vocals. It makes wonderful background music and is sure to come up in conversation. **Hausmusik** is a fantastic mix of instrumental and vocals that will keep you entertained while completing chores or while relaxing in the evening with a cup of tea. For all occasions, *Collect All Three*.
